COMMITTEE REPORTS

1. Olin Clawson advised that the water and sewer project for the restrooms at the racetrack was going well. The Utility Dept. purchased a direction drill package from Vermer. There are other projects that will utilize the machine. One anticipated project will take place at Pri-Pack.
2. The rodeo will start next Thursday. Olin advised that they are anticipating a sold out event. He advised that they would be cooking for the volunteers.

NEW BUSINESS

1. Board member Tony Abbott advised that he had been getting complaints about brown water on the East side of town. He questioned Director Clawson as to how often the hydrants get flushed. Director Clawson advised that the flush takes place on a regular basis. They usually do it 2 to 3 times a month. He advised that the brown water is not a health risk, but more an inconvenience. It was advised that a notice should go out to customers when this flush takes place so as to prepare them for the brown water. Olin advised that he could provide that.
2. Tony Abbott advised that he would like to have a Utility Board Work Session concerning Jon Anevski. Attorney Del Weldon said that he would like to have more information about what is going on. Director Clawson advised that he would like to get with Del to have other items on the agenda.

OLD BUSINESS
